Autumn/ Winter '26

# "Pivot"

(Solid & Textured Shirts)

# Moodboard

*A pivot is a fixed point that all motion turns around. This collection is a tribute to that sense of stillness and authority. The narrative is about the power found in a core that is unmoving, a form that is both definitive and serene. It's the quiet strength of a perfectly clear sky, the subtle, enduring texture of weathered stone.*

- *Inspiration: Born from the quiet calm*
- *Inspiration: Born from the stillness of first light, cool skies, weathered stone, and muted horizons.*
- *Design: Clean, composed silhouettes relaxed to tailored shirts with quiet authority.*
- *Fabrics: Compact poplin, fine dobby, subtle herringbone, and cotton-linen blends for refined tactility.*

An impulse is a force, a quick, unbidden action. This collection is a tribute to that surge of creative chaos and the beautiful, unpredictable moments that follow. The narrative is a visual record of a sudden inspiration the splash of a stone in water, the scattering of a thousand seeds on the wind, a burst of starlight across the night sky. It's a style defined not by what is expected, but by a bold, uninhibited reaction.

- Inspiration: Born from sudden sparks of energy rippling water, scattered seeds, starlit bursts, and shifting city shadows.
- Design: Relaxed and resort silhouettes with fluid ease, Cuban collars, and open shapes.
- Prints: Abstract scatter motifs, blurred stripes, tonal geometrics, and organic florals in layered depth.
- Fabrics: Lightweight cottons, viscose blends, textured dobby, and satin for a subtle gleam.

A respite is a moment of calm a quiet pause between two points of action. This collection is an ode to the soft stillness of a Sunday morning, the effortless ease of an unplanned afternoon. The narrative is about the comfort found in unhurried moments and the beauty of a pace that is gentle and slow. It is a story of letting go, a feeling of being completely unburdened.

- *Inspiration: Drawn from the unhurried ease of a Sunday morning, soft light across stone walls, woven textures, and sun-faded checks.*
- *Captures: A mood of comfort and calm, where effortless layering meets a gentle, grounded pace.*
- *Design: Relaxed and comfort fits, casual overshirts, lightweight checks and stripes that drape with ease.*
- *Fabrics: Linen blends, slub cottons, airy dobby textures, and yarn-dyed checks with a lived-in feel.*

# "Ember"

(Party Wear Shirts)

# Moodboard

An ember is the glowing heart of a flame, a small point of light that burns with a quiet intensity in the dark. This collection is an ode to that powerful, lingering allure the feeling of a world transformed by the play of light and shadow. The narrative is a tribute to a moment that feels both temporary and eternal, where every detail is meant to be admired. It is a style that is magnetic, confident, and quietly brilliant.

- Inspiration: Drawn from the glow of burning embers and the play of shadowed light on rich surfaces velvet curtains, dark wood, aged brass, and deep jewel tones.
- Design: Tailored and resort silhouettes elevated in luxe fabrics; tonal jacquards, baroque motifs, and shadow florals with subtle sheen.
- Fabrics: Satin, viscose blends, velvet-touch dobby, tonal jacquards, and metallic accents for evening sophistication.

# "Patina"

(Denim & Utility Shirts)

# Moodboard

A patina is a story told by time the rich, beautiful surface that forms on a material through use and experience. This collection is an ode to a journey, to a narrative etched into the fabric itself. It is a tribute to the places you have been, the things you have done, and the character that builds with every passing moment. This is a style that is not just worn, but lived in.

- Inspiration: Rooted in the lived-in beauty of timeworn materials faded indigo, worn herringbones, and softened canvas.
- Design: Relaxed and classic fits, overshirts and utility silhouettes with patch pockets, reinforced seams, and vintage washes.
- Fabrics: Rope-dyed denim, garment-dyed twills, brushed moleskin, and workwear herringbone all chosen for character that evolves over time.
